Laurie Giesen Photography
Monterey, CA

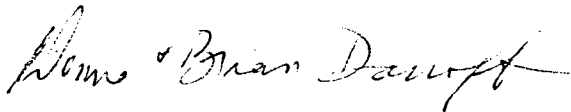

Dear Laurie,

We are writing to thank you for being such a personable and professional photographer. You were able to shoot both the standard stuff of weddings and the more unusual shots we prefer, always open to suggestion. It has been great having a vendor as friendly as you – one with whom we even felt comfortable making special requests – without ever sacrificing professionalism. Also, none of our recently-married friends could believe how soon after the wedding we got the proofs from you. You could not have been more prompt and on top of things.

Furthermore, we appreciated the way you blended in with our guests – shooting both candid and formals in a non-intrusive manner and as you put it, “not having the photos dictate the event,” but the other way around.

You were always a pleasure to deal with, very honest, straightforward, and accessible; all qualities that your future brides and grooms will no doubt find invaluable. Continued success to you.

Sincerely yours,
