Dear Laurie:

Tonja and I would like to extend our sincere appreciation to you for the photographic coverage you made on our recent marriage. The pictures you took captured the flavor of the event in a way that exceeded our expectations. As I mentioned to you on the phone you handled coverage of the wedding without intruding on the festivities, almost as if you were a guest.

We both wanted to express our sincere thanks and appreciation to you for making our "special day" even more "special". There is no doubt in our minds that you were a significant contributor to making our Wedding one that will be truly memorable, not only in our hearts, but also in the hearts of all those that share the day with us.

You helped make the entire process, which could be nerve racking, a totally enjoyable one. Many thanks again Laurie.

Sincerely
